

## GEORGE E. SELL DIES SUDDENLY IN FRIEND'S CAR

George Eugene Sell, 48, Fairfield R. 1, died suddenly Friday evening at 6 o'clock in front of the office of Dr. Ira Henderson at Fairfield.

An employee of the Knouse Foods' Orntanna plant he was on his way home from work in a car driven by Kenneth Chard, when he complained of illness. Chard drove to the office of Dr. Henderson, who came immediately from his office to the Chard car. Sell died as the doctor arrived.

Dr. C. G. Crist, county coroner, said death was caused by a heart attack.

A lifelong resident of the Fairfield area, Mr. Sell was a son of the late John and Kathryn McClellan Sell. He is survived by two brothers, John Sell and James Sell, a sister, Mrs. Harry Harbaugh and a step-brother, Jason Seifert. All reside on Fairfield R. 1.

Funeral services Monday afternoon at 2 o'clock from the Allison funeral home with the Rev. Leonard Falk officiating. Interment in the Fairfield Union cemetery. Friends may call at the funeral home Sunday evening after 7 o'clock.

## YOUNG FATHER OF FOUR KILLED AT BEARD LOT

Leroy Fleagle, Emmitsburg, 25-year-old father of four children, was fatally injured Friday night while working in the "Little Pentagon" project at the Beard Lot at Pountindale.

He was the second man to die within a week from accidents at the Raven Rock project. Last week a father of five was killed when dynamite exploded, prematurely in the tunnel.

Safety officials at the underground work were unable to give a detailed account this morning concerning the nature of the accident in which Fleagle was injured. A power shovel operator, he suffered a broken back, fracture of the pelvis, broken right arm, severe internal injuries, ruptured bladder, crushed lung, and head and face injuries. He died at the Waynesboro hospital this morning at 1:30 o'clock.

**To Hold Inquest**

His wife, who was summoned to the Waynesboro hospital, was with her husband when he died. He never regained complete consciousness. His youngest child is seven weeks old.

A native of Phillipsburg, Mr. Fleagle and his family moved to Emmitsburg after he became employed at the tunnel project. He was among the first crew to begin work there.

Dr. S. D. Shull, Franklin county coroner, said he will hold an inquest at 1 o'clock today into the accident. Safety officials hope by that time to obtain further details of the accident by piecing together testimony of men working nearby at the time Fleagle was crushed by the shovel.

Roland P. Kelly, 26, of Pen Mar, father of five children, was killed last Friday in the premature explosion in the tunnel.

The two deaths are the first to occur in the underground work since it started last February, although a number of workmen have been injured.

## Autographed Ball From Notre Dame Given Miss Ramer

Every member of the Notre Dame football team, of South Bend, Ind., autographed a football and presented it to Miss Jane Ramer, daughter of Mr. and Mrs. Paul B. Ramer, Buford avenue, late Friday afternoon enroute to Pittsburgh for its football game this afternoon.

Miss Ramer was the hostess aboard the Capital Airlines plane carrying the Notre Dame team from South Bend to Pittsburgh. After presenting her with the autographed pigskin they invited her to be "their guest" at the gridiron contest today.

Sometime this evening Miss Ramer will be the hostess aboard the plane carrying the team back to South Bend.

## TRUCK AND CAR SIDESWIPE; ONE DRIVER CHARGED

A truck operated by Lee W. Lentsel, 39, of Fairfield, and an automobile driven by John Coshern, 29, of Franklin, N. C., sideswiped on the Tract road four and a half miles south of Gettysburg at 1:45 o'clock this morning, according to state police of the Gettysburg substation.

Police said the truck sideswiped the other vehicle and did not stop until it had broken off two highway markers. The driver, police said, will be charged with failing to stop at the scene of an accident.

State police reported that the truck was owned by I. G. Riggeal, Seven Stars. The car was owned by Wade Adams, Fairfield hotel, they said. Damage to the truck was estimated at \$65 and to the automobile at \$125.

### File Code Charges

Hit and run and illegal pass charges were filed Friday against Herbert A. Beers, Miami, Fla., following an accident on the Gettysburg-Carlisle road eight miles south of Carlisle. Beers was charged after his car struck the automobile of Paul E. Bretzman, Bendersville. He was apprehended by state police of the Gettysburg substation, and turned over to Carlisle substation officers.

Automobiles operated by Stanley K. Altland, 14 Fourth street, and Hiram W. Gill, Shippensburg, collided at York and Hanover streets at 10:45 o'clock Friday night, according to borough police. Gill's car was owned by J. B. Morrison of Shippensburg. Police said Gill was driving west on Hanover street, stopped for the stop sign and then was struck by Altland as he drove into the intersection. Damage to the Altland car was estimated at \$90 and to the Morrison car at \$25. An automobile operated by George A. Washington, 130 Breckenridge street, collided with the automobile of Ray R. Eckert, Gettysburg R. 5, at 10:05 o'clock Friday night at West High street and South Washington, borough police said. The car operated by Washington was owned by James W. Mauston, police said. Damage to the Eckert car was estimated at \$100 and to the Mauston car at \$200. Police said Washington was driving without an operator's license.

## IS WOUNDED IN KOREAN ACTION

A telegram delivered to the home of Mr. and Mrs. Tyson Welty, of Emmitsburg R. 2, announced that their son-in-law, Lt. John McCrea Baker, had been wounded in action in Korea, October 10.

Lt. Baker's wife, who is the former Miss Margaret Welty and is an army nurse stationed at Fort Lee, Va., was at the home of her parents near Emmitsburg Wednesday night when the telegram was delivered. The family had received a letter written by Lt. Baker on October 9, the day before he was wounded, in which he had stated he had been at the front for some time and was due to be relieved but if they were not removed from the front at night they would suffer very heavy casualties. It was also revealed by his letter that he was fighting at Heartbreak Ridge.

Lt. Baker, now with the 1st Marines, is a veteran of World War II and has had over 14 years of service. He volunteered for duty in Korea, where he has been since landing last January 20.

He is a native of Sioux Falls, S. D. Lt. Margaret Welty and Lt. John M. Baker were married December 15, 1950.

### RECOMMENDS DIVORCE

A master's report filed in Franklin county court Friday recommended a divorce in the case of Anna Virginia Barkdoll, Waynesboro R. 4, against Gerald K. Barkdoll, Fairfield R. 1, on grounds of indignities.

## 91 COUNTIANS DONATE BLOOD HERE ON FRIDAY

Ninety-one pints of blood for the armed forces of the United States were collected here Friday at the first Red Cross Blood Donor Day in Adams county since World War II.

The county's next Donor Day will be November 23 when the center will be set up in Littlestown with donors and many of the volunteers for that day coming from that community.

Of the 152 who had appointments for Friday, 118 appeared to register. Twenty-four were rejected on the basis of their physical examinations or because of their medical histories.

### Need More Volunteers

Red Cross staff members accompanying the bloodmobile here said the total of 91 pints in a single day was "good" from a community of this size, although staff and equipment were on hand to handle as many as 150 donations in the six-hour period that ended at 4 p.m.

A number of veterans of the armed forces, members of families of servicemen, many who had donated blood during World War II including a dozen Gallon club members from 1945 were among the 91 who gave a pint of blood each.

Less than 500 men and women in the county have volunteered as blood donors. The blood donor committee of the county Red Cross chapter hopes to enroll 3,000 with Blood Donor Days expected to be scheduled about every five weeks.

### List of Donors

The list of those who gave blood Friday at the center in the Christ Lutheran church basement was announced as follows in the order in which they were scheduled:

Harry D. Ridinger, Mrs. Harry Yinger, Arthur J. Roth, William Dietz, Mrs. Wilbur Knox of the Gallon club, Mrs. Clem Redding, Rev. Wallace Fisher, Donald Joseph, Mrs. Glenn Diehl, Sterling Musselman of the Gallon club, John P. DeHaas, Mrs. Margaret Shriver, Mrs. Betty Deitch, Joseph Rosensteel, and Murray Miller of the Gallon club.

William A. Dillman of the Gallon club, M. S. Stoops, Howard J. Shultz, Jr., Michael Tate, Douglas Smith, Mrs. Janette Frost, Mrs. Robert (Please Turn to Page 2)

## PLAN TO PROBE SOOT NUISANCE

The smoke, soot and nuisance committee of the borough's Women's Civic council will meet in the near future to investigate several reported nuisances. Mrs. Forrest Craver announced Friday evening at a meeting of the council held at the YWCA.

Mrs. Craver, vice president of the council and chairman of the committee, said one of the complaints concerns a "pepper-like soot" which settles over the center of town from time to time.

Mrs. Craver presided at the meeting in the absence of the president, Mrs. Guyon E. Buehler. She named the following nominating committee, to report in November: Mrs. Donald E. Myers, chairman, Mrs. Robert Codori and Mrs. Elizabeth S. Hennig.

Fifteen women's organizations were represented at the meeting. Future programs were discussed.

Plans were announced for an open meeting to be held by the Town Beautification committee in the early future.

The secretary-treasurer, Mrs. Harvey Dickert, was authorized to have copies of the newly revised constitution printed.

## Dr. Burkhardt To Be Rally Day Speaker

Dr. Paul Burkhardt, superintendent of the Cumberland county schools, president of the Cumberland county Sunday school association and vice president of the state Sunday School association, will be the speaker Sunday morning at a Rally day service to be held by St. James Lutheran Sunday school, at that church, at 9:15 o'clock.

Charles L. Yost, Biglerville high school principal, will be the featured soloist at the special service and instrumental numbers will also be presented. The special service will be for the senior, intermediate and adult departments. Other departments will hold special services of their own. Charles I. Raffensperger, general superintendent of the St. James Lutheran Sunday school, announced.

### Birth Announcements

Mr. and Mrs. Russell Miller, Gettysburg R. 4, announce the birth of a daughter at the Warner hospital this morning.

Sgt. and Mrs. John Paul Glass, Air Force Base, Bermuda, announce the birth of a son on Thursday. Sgt. Glass is a son of Mr. and Mrs. Paul Glass, near Emmitsburg. Mrs. Glass is the former Wanda Thayer of Oklahoma City, Okla.

## Lincoln Room Of White House

This is a black-and-white copy of a water color showing the Lincoln room, on the second floor of the White House, as it will appear when renovations are completed at the executive mansion. Here the large Victorian bed, some of the Lincoln cabinet chairs, his desk, and other items of furniture belonging to Lincoln, will be used. The floor covering will be of body Brussels carpet of yellow roses and green leaves on a beige ground. The room will be painted a yellow, above white dado and trim.

## \$3,853 GIVEN TO CHEST DRIVE; GOAL IS \$20,350

More widespread interest in the Community Chest than ever before is indicated by returns from solicitors being made to Chest headquarters in the offices of Philip R. Bickle, Baltimore street. Total receipts thus far are \$3,853.

Chairman Donald M. Swope said today, "The returns are showing definitely that more people are giving this year. Many who never gave before have made donations, and many have increased the amount of their donations."

Solicitors were urged to utilize today to visit as many of the persons on their lists as possible.

### May Report Tonight

Reports can be made by solicitors up to 9 o'clock this evening.

"Nearly all of the solicitors have reported that a majority of the persons on their lists are waiting for them when they arrive," Swope said.

"There seems to be a better appreciation that the Community Chest drive is actually one drive to raise funds for six organizations, and many are increasing their donations in recognition of that fact."

"The drive raises Gettysburg's share of funds needed for the Boy Scouts, Girls Scouts, Library, YWCA, Recreational association and Civic Nurse organization. All are worthy of support and all serve the community."

### Property Transfers

Murray B. and Caroline M. Prazee, Florida, have sold to G. Donald and Janet S. Wickerham, Gettysburg, a property on Howard street.

Wilson G. and Susan E. Blocher, Bendersville, have sold to the Bendersville Fire company, a property in that borough.

Robert E. Hart, Joseph H. and M. Blanche Gouker, McSherrystown, have sold to Gerald J. and Mary L. Lawrence, same place, a property in that borough.

## 2 Former All-America Cage Stars Admit Taking Bribes

Chicago, Oct. 20 (P)—Former All-America basketball greats, Alex Groza and Ralph Beard, today were arrested and charged with accepting bribes to shave points when they were leading Kentucky to collegiate fame in 1949.

Dale Barnstable, one of their teammates of two years ago when Kentucky paraded to its second successive NCAA crown after Olympic renown of 1948, was picked up simultaneously by New York district attorney men in Louisville last night. He was being questioned there.

Two Are Cleared

Groza and Beard, who were to be arraigned in Cook county criminal court at 11 a.m., CST, today and then taken to New York, were picked up last night along with teammates Cliff Barker and Joe Holland.

State's Attorney John S. Boyle of Chicago, who sat in at the questioning, said Groza and Beard cleared the other two of any taint in the fixing.

All four, along with another former Kentucky great, Wallace (Wah) Jones, are now members and (Please Turn to Page 3)

### Boys

Boys come in assorted sizes, weights and colours. They are found everywhere. Mothers love them, little girls hate them, older sisters and brothers tolerate them, adults ignore them and Heaven protects them. A boy is Truth with dirt on its face. Wisdom with bubble gum in its hair, and Hope with a frog in its pocket.

A boy has the appetite of a horse, the digestive system of a sword swallower, the energy of a pocket-size atom bomb, the curiosity of a cat, the lungs of a dictator, the imagination of a Paul Bunyan, the shyness of a violet, the audacity of a steel trap, the enthusiasm of a fire-cracker, and, when he makes something, has five thumbs on each hand.

Nobody else is so early to rise or so late to supper. Nobody else can cram into one pocket a rusty knife, a half-eaten apple, three feet of string, an empty Bull Durham sack, two gumdrops, six pennies, a slingshot, a chunk of unknown substance and a genuine supersonic code ring with a secret compartment.

A boy is a magical creature. You can lock him out of your workshop; but you can't lock him out of your heart. You can get him out of your study; but you can't get him out of your mind. Might as well give up; he is your captor, your jailer, your boss and your master. Just a (Continued on Page 3)

### DRIVER REPORTS MISHAP

## Littlestown ISSUES WARNING ON HALLOWEEN

Official warning has been issued against Halloween pranks already taking place in the borough. Burgess Herbert J. Motter has stated that "the use of paint and paint brushes is absolutely forbidden." Warning has been given against marking automobiles with any sort of objects and also against the destruction of property. All culprits apprehended for any such Halloween tricks will be prosecuted to the fullest extent of the law, the Burgess said.

A Halloween party was held in conjunction with the weekly meeting of the Littlestown Cub Scouts on Thursday evening in the basement of the Littlestown State bank building. All scouts in attendance were awarded and in costume. Prizes were awarded for the ugliest dressed, prettiest, most original costume and the last to be identified. Group games were played and prizes were received by the winners. Each cub was greeted by a ghost wearing clanking chains, as he entered the scout room, which was decorated for the occasion with orange and black crepe paper and lanterns. Refreshments were served in keeping with Halloween. Howard Myers, assistant cubmaster and Kenneth Olinger, a Senior scout were in attendance at the party. The next regular meeting of the cubs will be held next Thursday evening at 7 o'clock, at the bank.

## Allies Enter Kumsong; Lambast Red Targets For Hour; Security Path Approval Expected Sunday

Munsan, Korea, Oct. 20 (P)—Communist liaison officers today accepted a United Nations compromise of a quarter-mile-wide security path to the proposed new site for Korean armistice talks and agreement seemed near for quick resumption of the long-stalled discussions.

Col. Andrew J. Kinney, senior Allied liaison officer, said after today's session: "I rather expect the thing will get settled tomorrow one way or the other."

Liaison officers of both sides will resume their conferences tomorrow at 10 a.m. (8 p.m., Saturday, EST). If agreement is reached then on security conditions, full-scale talks could be resumed within a few days.

### 400-Meter Corridor

The Reds agreed to a United Nations proposal for a 400-meter corridor straddling the road from Panmunjom six miles west of Red headquarters at Kasong and 16 miles southeast of the U.N. command advance camp at Munsan.

Only one point remained in dispute before arrangements are complete for resumption of full-scale, cease-fire negotiations—and the liaison officers appeared near agreement on that point: shall the U.N. agree in writing to keep its warzone around Kaesong?

"They (the Reds) are taking a very firm position on the over-flight question," Kinney said after Saturday's meeting.

### Limit Flights

An official release from U.N. command advance headquarters said "x x x a solution to this problem was offered today when the United Nations command offered unilaterally to limit flights over Kaesong and the road to Panmunjom insofar as practical. (The U.N. command has already promised to avoid flights over Panmunjom itself.)"

"Other than this point, (only) adjustment in phrasing to the agreement and associated papers remain to be settled for ratification and the resumption of substantive discussions on the military armistice and resultant cease-fire."

The Chinese hurled heavy mortar and artillery fire on the attacking Doughboys.

### Weather Is Ugly

Saturday's central front battles were fought in rain and bitterly cold winds.

While the infantry fought for the last major ridge south of Kumsong, some troops could look down into the city from their vantage points on high ground.

An Allied briefing officer said the tanks which approached within a mile of Kumsong Saturday morning were "exploring" the area. They pushed around a "C" shaped bend in the Kumsong river and opened fire from the entrance to a valley that leads directly northward into Kumsong.

The Eighth army communique said advancing U.N. units were 2,500 yards — less than a mile and a half — from Kumsong.

The general belief around Eighth army headquarters was that U.N. troops could take Kumsong if they wanted to. Whether Gen. James A. Van Fleet would order the city's capture immediately remained to be seen.

Headquarters officers also had one ear cocked toward Panmunjom, where there were indications a compromise might get the stalled truce talks started again.

## PMA OFFICERS ARE ELECTED IN TWO DISTRICTS

Election of officers for two of the Production and Marketing Administration districts in the county were announced today by the local PMA office.

# MANY FEATURES MARK CLOSING OF STATE WEEK

(By The Associated Press)

Football games throughout the commonwealth featured a Pennsylvania Week theme today as the state's sixth annual seven-day long celebration drew to a close.

Scores of high schools put groups of students through precise drill formations at half time to observe Pennsylvania Week as their teams played their weekly gridiron games.

At the same time, broadcasts in the interest of Pennsylvania Week were made from the games of Pitt, Carnegie Tech and other colleges.

Tomorrow Pennsylvania Week will be cited over radio broadcast of the professional game of Pittsburgh Steelers.

For the most part, however, churches will lead the way in marking the conclusion of the commonwealth's annual observance tomorrow. Churches everywhere will pay their respects to Pennsylvania's tradition of religious freedom dating from the days of the founder, William Penn.

**Senator Martin Speaks**

Among today's events will be the selection at Troy of "Miss Bradford County"—the best cow at the week-long agricultural exhibit in that northern community.

An hours-long parade at Troy will include more than a dozen bands and scores of floats.

Sen. Edward Martin (R-Pa.) addressed a celebration of the Brockway area Chamber of Commerce at Brockway.

"Pennsylvanians," declared Sen. Martin, "are leaders in the struggle to maintain sound constitutional government against socialistic schemes that would destroy freedom of the individual."

"We Pennsylvanians know that when all authority is concentrated in all-powerful central government incentive is wiped out, initiative is lost and the people become easy victims of dictatorship and tyranny."

"Pennsylvania Week is a good time to pause and give serious thought to the future."

**Honor Contest Winners**

The Lancaster Retail Merchants bureau honored 26 Pennsylvania Week quiz-essay contest winners in 26 secondary schools in the county at a luncheon.

The occasion marked Lancaster County Day in connection with Pennsylvania Week and featured tours of historic homes in the area.

Marcus Hook held Fraternal and Servicemen's Day with a gigantic fireworks display tonight scheduled to climax the event.

Warren celebrated State Flag Day as the banner was presented for use in the Warren county court house after being taken on a week-long tour of the area.

A number of Pennsylvania airports marked air tours day as part of their week-long observance.

## Home Ec. Meets

Four meetings of county home economics groups have been announced for the coming week by Miss Mary Jane Mickey, county home economics extension representative.

The sessions include: Monday, 1:30 p.m., Littlestown committee meeting with Mrs. Irvin Kindig; Tuesday, 7:30 p.m., Barlow sewing machine cleaning at the parish hall; Wednesday, 2 p.m. Hunt avenue, program planning with Mrs. J. F. Weaver; Friday, 1:30 p.m., Cashtown, chair caning, at the fire engine house.

### CHARGE WITHDRAWN

A charge of assault and battery filed Wednesday afternoon against Curtis Linsey, Jr., Gettysburg R. 4, by Donald L. Trostle, Gettysburg R. 1, was withdrawn before Justice of the Peace Robert P. Snyder Friday night upon payment of the costs. Trostle's doctor bill and other expenses. Trostle was treated at the Warner hospital for injuries received in an alleged fight at Weaner's dairy Wednesday with Linsey.

## Bigham Property Sold For \$39,000

Sale of property of the Marshall W. Bigham estate brought approximately \$39,000 Friday afternoon.

The "home farm," of 275 acres in Freedom township, was sold to Daniel L. Yingling, Mt. Joy township implement dealer, for \$25,300. He also purchased the unimproved 380 acre areas in Liberty and Freedom townships known as the Fogers farm and Frey farm for \$4,700. The two farms were sold as a unit.

E. Donald Scott, Gettysburg, purchased the "pumping station" farm, 166 acres in Cumberland township, for \$9,000.

Miscellaneous articles of personal property brought less than \$400.

## Board Sets Road Damage At \$3,000

The board of viewers recommends payment of \$3,000 to Jennie R. Ross, Alice C. Ross Smith and Winifred M. Ross for damages to their Franklin township property caused by relocation of the Lincoln highway, according to the report of the board filed today with the county clerk of courts.

The report was confirmed temporarily by the clerk and will be confirmed absolute in 30 days unless exceptions are filed within that period.

In the report the board of viewers, Leroy H. Winebrenner, Attorney J. Francis Yake, Jr., and Frank H. Brame, finds that relocation of the road caused a change of grade, altered the drainage and appropriated part of the land of the Misses Ross and Mrs. Smith.

According to the report, witnesses set the amount of damage at figures ranging from \$1,856 and \$3,860. Three of the witnesses set the loss at more than \$3,000 and two at under that amount.

## Czech 'Freedom Train' Story To Be On TV

Local television owners will be able to view the story of the escape of the Czech "Freedom Train" Tuesday night, the Crusade for Freedom notified Lawrence M. Sheads, local Crusade chairman today.

The program "Suspense" over CBS Tuesday night from 9:30 to 10 o'clock will give the story of the sending of balloon messages to Czechoslovakia which lead to an engineer and crew, driving their train loaded with passengers through the Iron Curtain into the American zone, Sheads said he had been notified.

General Lucius Clay, head of the Crusade, will speak briefly during the broadcast.

Today a sound truck operated by the Crusade was in Lincoln Square from 11 until 2 o'clock. During the period, recordings of broadcasts sent over the Radio Free Europe stations of the Crusade for Freedom were played over a loudspeaker and several balloons similar to those in Europe were released.

### GUEST SPEAKER

Dr. Abdel Ross Wentz, former president of the Lutheran Theological seminary, will be the guest speaker at the 100th anniversary services of the founding of Mt. Zion church, York, Sunday morning at 10:15 o'clock.

### BIRTH ANNOUNCEMENT

Mr. and Mrs. Francis J. Slagle, New Oxford, announce the birth of a daughter at the Hanover hospital Thursday.

### LICENSED TO WED

Marriage licenses have been issued in Westminster to the following couples: Gary D. Keckler and Madeline J. Kaufman, York Springs; Raymond J. Klunk and Eloise W. Schildt, McSherrystown.

### BOARD TO MEET

The county school board will meet Monday evening at 8 o'clock at the office of the county superintendent of schools in the court house.

### TREATED FOR DOG BITE

Nannie Rissel, five-year-old daughter of Mr. and Mrs. Otis Rissel, Gettysburg R. 3, was treated at the Warner hospital after being bitten by a dog underneath her right arm Thursday.

## FARMERS URGED TO SELL SCRAP

Adams county's farmers were asked today by M. T. Walter, chairman of the county's agricultural mobilization committee, to help in the nation's drive to gather all available scrap for steel production.

Noting that the farm is a good source of the high grade heavier type of scrap needed by the steel mills for defense production, Walter added that "every ton of scrap we can gather saves two tons of iron ore, one ton of coal, nearly one ton of limestone and other materials in the production of steel."

Among farm items yielding scrap are worn-out plow points and shares, cultivator shovels and sweepers, other broken machine parts, horsedrawn equipment that has been replaced by tractors, old electric wire and cable, worn-out storage batteries, windmill and water tank towers that have been replaced and even chicken wire and baling wire.

Scrap is vitally needed, Walter said, "because we need more steel, one-fifth more than we did last year and the steel mills are operating with a dangerously short supply of scrap."

Because of the need for scrap, farmers are urged to sell the scrap on their farms to junk dealers, Walter said.

## DRIVER FACES THREE CHARGES

Charges of displaying an operator's license not his own, driving without an operator's license, and using dealer's plates not his, were filed today by state police of the Gettysburg substation against James E. Henich, Sr., of Lancaster, R. 4.

Police charged that he showed them a duplicate of an operator's license issued to his brother. Henich had no operator's license of his own, they said. Ten-day notices will be sent by Justice of the Peace John H. Basehore.

A 10-day notice will also be sent by Squire Basehore to Richard G. Arentz, Gettysburg R. 1, charging him with speeding. The information was filed by state police, who also filed an overload charge against James Arthur Derry, Woodsboro, Md.

# Warriors Roll Up Easy 59-6 Win Over Shippensburg For Sixth Victory Without Defeat

Completely outclassing a game Shippensburg high team, the unbeaten Gettysburg high Warriors rolled to an easy 59-6 victory over the Greyhounds here Friday night in a South Penn conference game.

The victory marked the sixth win in a row for the Shoemaker-Sachs proteges and was watched by a sparse crowd of approximately 1,600 fans.

Every lad in Maroon livery broke into the lineup and the Warrior coaches gave their regulars plenty of bench duty in saving them for their big contest with Chambersburg on the latter's field next Friday night.

The Warriors scored shortly after getting their hands on the ball in the first period. After the Greyhounds had received the kickoff they picked up a first down on a pass, Thomas to Miller, on their 45 but were halted. Thomas' punt was partially blocked by Gus Dayhoff as the Warriors took over on the visitors' 48. Bill Williams broke through the line and raced 38 yards to the 10. After Wayne Tonsel got 4 yards, Williams smacked through center to score after 2:13 minutes. Bill Knox booted the first of his five extra points.

Skinner Talties Less than a minute later Jim Skinner broke through to recover a lateral that bounced about and he scooped up the leather to run 15 yards to tally. Again Knox converted.

Near the end of the period a fumbled punt was recovered by Gettysburg on the Greyhounds' 13 which finally resulted in Bobby Miller bucking over from the 2. Knox booted the point.

Ronnie Miller, a reserve back, reeled off two nice runs in the early moments of the second period to advance the ball to the visitors' 20 from where Williams broke through to go the remainder of the way to reach pay dirt. Knox's boot was wide.

Plenty of reserves were in action for Gettysburg when the fifth touchdown came two minutes later. The play was set up when John Carter blocked Thomas' punt and recovered the ball on the Shippensburg 12. Ronnie Miller got nine yards on his first try and then circled end for the score. Again Knox's boot was wide.

Visitors' Pass Clicks Shippensburg then came up with its lone score. After Miller returned the kickoff to his 28, Thomas dropped back and passed to Miller on his 30 and the Greyhound back eluded several Gettysburg defenders to race 70 yards for the six-point. Shoop's placement try was wide.

Dick Harriel returned the second half kickoff to his 38 and the Warriors were off again to touchdownland. Three straight first downs moved the ball to the 9 from where Williams cracked through on his second try. Knox place-kicked the point.

Heyser Races 50 Yards Just two minutes later the Warriors scored again. Fisel fired a pass to Bill Heyser who made a fine catch at the midfield mark and he shook loose several would-be tacklers to go the entire distance for the score. Shippensburg broke through to block Knox's placement.

Second and third-string Warrior squad members played the last period and they accounted for a pair of scores.

Billy DeHaas swept wide around left end and scampered 60 yards for the first TD after 5:26 minutes. Knox added the point on his placement.

The final score came at 9:50 of the period on two runs by Bobby Rohrbaugh, the first being good for 31 yards to put the ball on the 14 and the latter producing the score from that point. Penn's placement for the point was wide.

**SIDELINE NOTES:** The crowd was the smallest of the season—apparently most fans realized the game would turn out just as it did—very one-sided; Coaches Shoemaker and Sachs gave their regulars plenty of rest, looking forward to their big engagement at Chambersburg next Friday. Several of the reservists showed up well—Ronnie Miller turned in some fine runs—Billy DeHaas showed speed in his 60-yarder for a TD—Shippensburg's best performer was Johnny Miller—he got the visitors' lone score and with a better team could rank with the best—Pennsylvania Week was appropriately celebrated by the GHS band during its half time performance—the total was the largest a Gettysburg team has rolled up since 1922 when the locals defeated Millersburg 104-0—Skinner did a dribbling act before he finally scooped up the ball to race for his score—Washington and Skinner made the only pass interceptions of the game—480 reserved seats at \$1.25 each for the Chambersburg game will go on sale at the local high school office Monday morning—Richard Angle, Greyhound center, injured his right ankle in the second half and was X-rayed at the Warner hospital.

The lineups: **GETTYSBURG** Ends—Heyser, Harriel (co-c), Musser, R. Goodermuth, J. Knox,

## CANNERS DRUB MANHEIM 34-19 IN LOOP GAME

In a game featured by long scoring plays on the part of both teams, the Biglerville high Canners won their second victory in six starts by drubbing Manheim Central 34-19 Friday night at Biglerville in a Conference of the Roses contest.

The Canners scored in 1:05 minutes of the second period when Clyde Coulson topped a drive by slamming over from the 1. Elson Grimm kicked the point. Five minutes later Bud Warner got off on a 40-yard run for the second Canner score and again Grimm booted the point.

Manheim completely fooled the Canners on a complicated play to tally after 9 minutes of the second quarter. Shank took the ball from center and gave it to Weidner on an apparent end-around play. Weidner then passed laterally to Shank who heaved a forward pass to Derstler for a score, the entire play covering 60 yards.

**Races 80 Yards On Fumble** Mike Wertz picked up a Manheim fumble and streaked 80 yards to score late in the third period for the Canners. Just a minute later Shank fired a pass to Huber which was good for 65 yards and a Manheim score.

The Canners scored twice in the first six minutes of the final quarter. Following a penalty against Manheim, Grimm plunged over from the 1. Warner sprinted 19 yards on a double reverse for the second score after Grimm missed his first extra point try of the evening.

A 9-yard pass, Shank to Weidman, produced the final Manheim score with about 1:30 minutes remaining.

Next Saturday Biglerville will play at Palmyra.

## Sports Roundup

**By HUGH FULLERTON, JR.**  
New York, Oct. 20 (P)—Steve Owen argues that pro football would be better if the colleges junk the two-platoon system. . . . The pros, Steve figures, are getting too many players trained to do just one thing, which makes for difficulties when the coaches want to switch them around. . . . Another Owen complaint is that the college players get into the habit of turning loose the ball as soon as they hit the ground. . . . In pro ball it's a fumble until they're pinned down and the whistle blows and the other guys can grab the ball and run. . . . Add Yale injury list: Coach Herman Hickman twisted an ankle walking off the field at the Columbia game. . . . Frank Broyles, Georgia Tech backfield coach who developed Darrell Crawford into a top-rank "T" quarterback, also coached Adrian Burk at Baylor and Haywood Sullivan at Florida—a right good threesome. Broyles ranks Crawford over the others in the important matter of calling the signals.

**A SEW-SEW PLAYER**  
Black Jack Stewart, the Chicago Blackhawks' defenseman, thought he had a record all sewed up when a slipped disc in his spine put him out of action late last season. Up to that time 235 stitches had been used to repair damages to various parts of his anatomy. . . . But Jack came back for another fling this year. . . . In the first game at Chicago he received a three-stitch cut under an eye in the second period. . . . Unhampered by this minor injury, Stewart stepped out in the third, collided with teammate Clair Martin and went over backwards. After they toted him off the ice, they took 12 stitches in a cut on the back of his head and six inside his upper lip—totals: 21 for the game and 256 over all. . . . Oh, yes, they found a crack in his skull, too.

**SPORTSPOURRI**  
An "inside" report on what's wrong with Alabama's football team gives it in one word: inexperience. . . . Six of the 12 touchdowns scored against Alabama by LSU, Vandy and Villanova came after fumbles inside the 40-yard line and one after an 18-yard punt. . . . Trade-wind item: Joe Cronin assigned Ted McGrew to scouting other American league teams during the past season to see what players might fit into Red Sox plans—if they could get them.

## DICK TODD IS REDSKIN COACH

Washington, Oct. 20 (P)—Dick Todd, onetime Texas A. and M. backfield great, is today's coach of the Washington Redskins football team.

He took over last night—stepping up from backfield coach—on what looked like a caretaker basis, pending the time when Heartley (Hunk) Anderson, one of Notre Dame's legends and successor to Knute Rocke as Notre Dame coach, works out contract difficulties.

Although he is working as a steel salesman in Detroit, Anderson is under contract to the Chicago Bears as a line coach. The contract does not run out until December 31. Owner-Coach George Halas refused to let Anderson off the leash unless the Redskins would trade tackle Paul Lipscomb. This, Redskins President George Marshall said, he could not—because of league rules—and would not do.

Coaches came and went so fast at the Redskins wigwam yesterday it looked like someone had traded the tent flap for a revolving door.

Herman Ball was still coach as the day opened, although he had been on public notice from Marshall for several days that he was already the sixth Redskins casualty in nine years. He hadn't won any games in three tries this year. He took over in mid-season, 1949, when Vice Admiral Billik Welch's contract was "cancelled by mutual agreement."

In 1949, at Seattle, Kentucky repeated as NCAA titlist with Groza slugging in 25 points in a 46-36 victory over Oklahoma A & M in the final game.

Groza, for the second successive year, was chosen the outstanding player of the NCAA tournament and joined Beard in being named to the All-America team.

Groza and Beard became household words and idols of youthful cagers throughout the country. Upon graduating, they bought the Indianapolis pro franchise and became playing stockholders with teammates Jones, Barker and Holland for their NBA team, the Olympians.

They stopped in Chicago last night enroute to Moline, Ill., where the Olympians have an exhibition game scheduled tonight against Milwaukee.

"After that, if Joe shows he still has it, we'll be ready for Walcott, Ezzard Charles or anybody," said the happy manager. "He's got to make it this time. If he doesn't stick to his business, I'm through and so will he be."

Comebacks and rosy plans are old stuff for the strapping ex-coal miner from Kulpmont, Pa., who started off his latest campaign by flattening pudgy Gino Buonvino of Italy in 54 seconds of the first round of a main event in St. Nicholas arena last night.

stockholders of the Indianapolis Olympians of the National Basketball association, a pro club they organized after graduating.

**Confronted By Gambler**  
O'Connor said Groza and Beard were confronted at the grilling by Nick "The Greek" Englis and Nate Brown, two payoff men under indictment by the New York grand jury for bribery in other fixes.

O'Connor said the two gamblers appeared voluntarily and gave a conflicting report.

**The fixers insisted the payoff in the Kentucky-Loyola game was \$2,000, with Groza getting \$1,000 and the other two \$500 each,** said O'Connor. "The gamblers said the only other point shaving was in the Kentucky-Tennessee game at Lexington, in 1949. But Groza and Beard would not admit to any fixing except in the Loyola game."

Many experts thought Rupp's finest teams during his 21 years of coaching Kentucky were those of 1948 and 1949. The backbone of the flawless champions was formed by the 6 foot 7 inch Groza from Martins Ferry, Ohio, and the peppery 5 foot 10 inch Beard from Louisville.

In March, 1948, these two players guided the Wildcats to the NCAA title in Madison Square Garden. Beard that year won All-America honors while Groza was placed on the second team.

After the NCAA victory, Kentucky joined forces with the Phillips Oilers, AAU champions, to take the Olympic championship at London.

In 1949 at Seattle, Kentucky repeated as NCAA titlist with Groza slugging in 25 points in a 46-36 victory over Oklahoma A & M in the final game.

Groza, for the second successive year, was chosen the outstanding player of the NCAA tournament and joined Beard in being named to the All-America team.

Groza and Beard became household words and idols of youthful cagers throughout the country. Upon graduating, they bought the Indianapolis pro franchise and became playing stockholders with teammates Jones, Barker and Holland for their NBA team, the Olympians.

They stopped in Chicago last night enroute to Moline, Ill., where the Olympians have an exhibition game scheduled tonight against Milwaukee.

**C. OF P. BEATEN BY BOSTON U.**  
(By The Associated Press)  
Boston university, sparked by triple-threat back Harry Agganis, pulled a major football upset last night by trouncing hitherto undefeated College of the Pacific, 27-12.

Agganis, recently discharged from the marines, completed 17 of 26 passes for 192 yards and most of them figured in the scoring as Boston rolled up a 27-0 lead in the first three periods.

The Boston crowd of 16,030 saw Pacific score twice in the last quarter, with two 15-yard penalties setting up the first tally, and a fumble in the second.

**Detroit U. Wins**  
In another game at Boston, the University of Detroit shoved over three touchdowns in the second period then withstood a Boston college rally in the second half to win, 19-13.

Two pass interceptions, the first by Detroit's Ronny Horwath, started the Titans rolling in the second quarter.

At Miami, the Hurricanes from the University of Miami scored in less than two minutes and proceeded to whip Washington & Lee, 32-12, in the Orange Bowl.

Washington & Lee came back with a touchdown, on a 42-yard drive, but the Generals' split-T attack bogged down after that and it was all Miami.

Scoring a pair of touchdowns in each the first and third periods, the Littlestown high gridblers blanked York Springs 24-0 in a Laurel conference game Friday night on the visitors' gridiron.

The triumph was the second in seven starts for Coach Clay Evans' Thunderbolts and halted a five-game losing streak.

In the opening period Harry Badders scored on a reverse from the 8-yard line after the Thunderbolts had staged a long drive down field. Later in the same period Ken Shandbrook streaked over from the 14-yard line.

After a scoreless second period, Littlestown broke loose with two more six-pointers in the third frame with Koonitz and Reynolds accounting for the scores.

The defeat marked the fifth in six games for York Springs.

Littlestown rolled up 16 first downs to three for the Springs. The winners completed three of nine aerials while York Springs made good on two of 10.

Next Friday night Littlestown will be host to Kennard-Dale of Stewartstown. On the following day York Springs plays at Marysville.

## Girls

Little girls are the nicest things that happen to people. They are born with a little bit of angel-shine about them and though it wears thin sometimes, there is always enough left to lasso your heart—even when they are sitting in the mud, or crying temperamental tears, or parading up the street in mother's best clothes.

A little girl can be sweeter (and badder) oftener than anyone else in the world. She can jitter around, and stomp, and make funny noises that frazzle your nerves, yet just when you open your mouth, she stands there demure with that special look in her eyes. A girl is Innocence playing in the mud, Beauty standing on its head, and Motherhood dragging a doll by the foot.

Girls are available in five colors—black, white, red, yellow, or brown, yet Mother Nature always manages to select your favorite color when you place your order. They disprove the law of supply and demand—there are millions of little girls, but each is as precious as rubies.

God borrows from many creatures to make a little girl. He uses the song of a bird, the squeal of a pig, the stubbornness of a mule, the antics of a monkey, the spryness of a grasshopper, the curiosity of a cat, the speed of a gazelle, the slyness of a fox, the softness of a kitten, and to top it all off He adds the mysterious mind of a woman.

A little girl likes new shoes, party dresses, small animals, first grade, noise makers, the girl next door, dolls, make-believe, dancing lessons, ice cream, kitchens, coloring books, make-up, cans of water, going visiting, tea parties, and one boy. She doesn't care so much for visitors, boys in general, large dogs, hand-me-downs, straight chairs, vegetables, snow suits, or staying in the front yard. She is the loudest when you are thinking, the prettiest when she has provoked you, the busiest at bedtime, the quietest when you want to show her off, and the most flirtatious when she absolutely must not get the best of you again.

Who else can cause you more grief, joy, irritation, satisfaction, embarrassment, and genuine delight than this combination of Eve, Salome, and Florence Nightingale? She can muss up your home, your hair, and your dignity—spend your money, your time, and your temper—then just when your patience is ready to crack, her sunshine peeks through and you've lost again.

Yes, she is a nerve-racking nuisance, just a noisy bundle of mischief. But when your dreams tumble down and the world is a mess—when it seems you are pretty much of a fool after all—she can make you a king when she climbs on your knee and whispers, "I love you best of all!"

Author To See His Play Given

At High School: Charles George of Blue Ridge Summit, author of the play based on Mark Twain's story, will be a guest at the Gettysburg high school auditorium on Wednesday evening when a student cast presents the play "Tom Sawyer." The production will be repeated Friday evening.

Mr. George will be guest of honor at an informal reception to follow the play Wednesday evening.

The play is being directed by Miss Ruth A. McIlheny and Miss Ruth Scott.

The title role will be played by Joe Hanawalt. Other parts will be taken by Rose Zita Gaines, Jack Chamberlain, Wanda Hartman, Harvey White, Margaret Bable, Josephine Welkert, Luther Gotwald, Betsy Busbey, Lavora Gilbert, Luther Smith and John Witherow.

**Benner-Jacobs:** Earl Wilson Benner, Gettysburg, and Ethel Louise Jacobs, Littlestown, were united in marriage on Saturday, October 4, in the parsonage of Grace Lutheran church, Westminster. The ring ceremony was performed by the Rev. Dr. Paul W. Quay.

**Bream-Howe:** Mrs. Sadie Howe, Gettysburg, has announced the marriage of her daughter, Pearl, to Fred W. Bream, son of Harvey I. Bream, Gettysburg.

The ceremony was performed by the Rev. W. F. Hopkins, in Elkton, Maryland, last May 12.

Mrs. Bream is employed in the office of C. H. Musselman company, Biglerville. Mr. Bream is employed by Harry C. Gulden, Aspers.

**Sail For Puerto Rico:** Mrs. Ralph Stiller and son, Ralph, Jr., Hanover street, sailed on Thursday from New York city for Borinquen Air Base No. 1, to point Mr. Stiller who has been employed there for several months.

**Leave For Louisiana:** Mrs. Ralph E. Barley and daughter, Helen, who has been spending several months in Gettysburg, left Friday for Alexandria, Louisiana, where Mr. Barley is engaged in Red Cross work at Camp Livingston. They were accompanied as far as Washington, D. C., by Mr. and Mrs. Milton R. Renne.

**Kienzie-Sharrah:** Miss Mildred Sharrah, daughter of Emory L. Sharrah, Cashtown, became the bride of Lawrence F. Kienzie, son of Mr. and Mrs. Fred W. Kienzie, Lancaster, in a ceremony performed Thursday afternoon at 5:30 o'clock in the parsonage of the Covenant United Brethren church, Lancaster. The Rev. Dr. O. L. Ehrhart, pastor, officiated.

**Local Girl Is Married Friday:** Miss Florence Marietta Oyler, daughter of Mr. and Mrs. William A. Oyler, York street, and Edward Thomas Noel, son of Mr. and Mrs. Leo T. Noel, McSherrytown, were united in marriage Friday evening at 8 o'clock in the rectory of St. Francis Xavier Catholic church by the Rev. Fr. Mark A. Stock.

Miss Peggy Noel and David Osterline were the attendants.

The couple will reside at the home of the bride's parents.

**Couple Wed In Emmitsburg:** Miss Mary Gulise, daughter of Mrs. Mary Gulise, of near Emmitsburg, and the late David H. Gulise, became the bride of Frank H. Snyder, son of Mr. and Mrs. Joseph Snyder, of Middleburg, Md., at a pretty wedding Saturday morning in St. Joseph's Catholic church, Emmitsburg.

The nuptial mass was celebrated by the Rev. Francis Rogers.

**Maroons Are Tied 7-7:** Yielding a touchdown midway in the fourth period the Gettysburg high school football team was forced to accept a 7-7 tie with the Hershey Industrial school eleven here Friday evening before a crowd of approximately 2,000 fans.

The Maroons scored their touchdown early in the third period when Sachs executed one of the prettiest runs of the evening for 17 yards and

## THE EVER SEARCHING MIND

The body is kept in top working order by judicious exercise and intelligent care. The mind calls for the same treatment. The more you learn, the greater the variety of interests, and the more pleasure you get from contacts with new subjects and people the wider your knowledge will be and the greater your vision.

A friend of mine, who has been very successful in acquiring money, confessed to me that he had never read a book in his life! I felt sorry for him, for people who only gather material wealth to themselves are poor indeed. A person's entire outlook is cheated by neglecting to enrich it through the reading of great books.

Nothing in this world is so valuable in rounding out a mental richness as a constant accumulation of knowledge through the reading of a variety of books on nature, science, biography, history, poetry, and fiction. The mind needs and hungers for this refreshment. That friend of mine reads the newspapers, but how that reading would be greatly supplemented by a knowledge of the world and people, as fulfilled in books!

Recently there was a subject I wanted to learn about, and I searched many books in my library hoping to find what I wanted. I didn't find it, but gathered from another book something far more entertaining and instructive because of my search. Books keep opening new avenues of enjoyment and inspiration the more we consult them. The woman shops for certain things, but she is forever running into new things and bargains that more than offset her particular searches.

The mind is always hungry! And the ever searching mind is the healthy mind. We learn by doing, and we can do nothing more valuable than to keep feeding this mind of ours with an ever increasing array of facts and interesting data. We never know when such knowledge may be just the thing to lift us to a higher standard of thought and living. The active mind is the cheerful and inspiring mind!

Jonah, thrown into the sea,

Prayed the Lord, to live allowed:  
"I will pay, that I have vowed."

I have fled from duty, too,  
Dreading what I ought to do.  
And, because I was afraid,  
I have conscience disobeyed.

## Other Way Around

Some things about the care of our cars seem to be a little too simple for general consumption. One that is slowly taking root in the environment is the trick of reversing things or procedures. Perfect instance is use of gum and sludge removers in the engine. The usual procedure is to add the solvent to a fresh batch of motor oil whereas the smarter carper is to add it to the old oil about 50 miles before draining the crankcase.

In the former way the sludge goes into the oil and stays there for the thousand-mile period, instead of being drained off.

Then there are the few smart people who dust off the car before it rains. Most owners figure that the rain will wash off the dirt. This doesn't happen unless it is a good downpour. Most rain on a dusty car just leaves a mess.

## Cools Via the Seat

One reason poppet valves in your car's engine have no easy road to cooling is because most of their heat transfer occurs when they contact their seat. If they should stick a little, and hang up in the heat zone, they are ripe for warpage but often come through the ordeal unscathed. Some of the cooling is by way of their stems, either to the guides or to the tappets. These are poor routes because they are interrupted by lubricants and clearances. So important is good seating to proper cooling many engines are fitted with a special tube in the block to carry water directly to the valve seat areas. Where such tubes are used every effort should be made to check rusting, for replacement isn't easy.

## Lowdown on "Bottoming"

Just for the record the term "bottoming" means having the springs collapse so that the axle or other parts strike the frame. This may indicate weak springs or ineffective shock absorbers, or both. It is quite apt to happen to the front end where fairly soft coils are used in an effort to get an easier ride. This trouble will not be so prevalent from here on because the newest shock absorbers have valving which controls the springs' compression so that while there is an easier ride over moderately uneven road surfaces the action stiffens up for rough roads where bottoming might otherwise be expected.

**Mechanic Joe Speaking:**  
"There would be better running cars in my humble opinion if more car owners would take a ride on the back seat, letting a friend or a mechanic take the wheel."

"One of my customers did not believe that the front-end of his car needed an adjustment to check wandering. He said he did not notice any such condition and politely accused me of trying to sell him a repair job. But when riding in the rear of the car he soon realized that the car was not keeping to an even keel."

"Another customer happened to ride in the rear when a friend took the wheel on a long trip. It was then that he discovered that the exhaust made a most unpleasant drumming sound. We checked this later with a motor tune-up."

## Keep That Power

With so much emphasis on "hoping up" stock engines in an effort to get more power from them the tendency is to forget the advantages in trying to keep the power that was originally built into the car. In a test the average engine falls far short of delivering the output it was intended to give. All this is a sad reflection on the owners. Not only is there too little attention to tune-up and use of the best grades of gas and oil, but there is a marked tendency to misuse engines. Chief error is not letting the engine warm up before putting it to work. Almost as damaging to motor efficiency is an excess of short runs with a cold motor.

## Gone With The Wind

It will never be important enough to require a congressional inquiry, but I'm wondering why it is that no American car starting with the letters "U" or "Z" have weathered the storm of competition. In the first group we remember the Union, Universal, Unwin, U. S. Motor Vehicle, Ultimate, United, Upton and University. Among the latter we find the Zip, Zent, Zephyr, Zentmobile and Zimmerman. Another dud was the letter "Q." Here we remember the Quick, Queen and Quinlan. Keep this in mind if you are planning a new car.

## Through A Clean Windshield

Motorists who do not as yet use windshield washers of the automatic type often wonder what happens to the water in the reservoir in cold weather. The solution here is to add a mild anti-freeze in the form of a small amount of alcohol. It is best to use a regular product for this purpose. The latest is the kind that can also be used as a bug remover, even on the car's finish. Added to the water in the reservoir it prevents freezing. The reason use of such solvents does not injure the finish

speakers were Pearl S. Buck and Mrs. Curtis Bok.

Richard Tawney, West Middle street, left this morning for Pottstown, where he has accepted a position.

around the cowl is that there is so much rain water to wash off the surface. When used to remove bugs or tree sap on the car's dry finish be sure to wipe off well with cold water.

## Time For The Frills

Something that will pay dividends is to spend an afternoon going over some of the parts of the car which you normally skip over when cleaning or polishing it. Take some new views of it by looking at it from fresh angles. Spend a little time on those things you ordinarily must overlook. I refer to edges of the fenders, under parts of the chrome grille work, some of the car's equipment such as its mirrors, special lamps, radio antenna or license plates. You will find that the door frames can stand cleaning. When you lift the hood there will be many eyesores which will yield to a little cleaning or touching up with black enamel. It will be a few hours very well spent.

## Getting Back Into Gear

With so many older cars afflicted with the habit of jumping out of gear going downhill owners of automatics will pardon us a moment while we remind our listeners that it still is important to know how to shift back into second or high with the car rolling along downhill depending on its brakes. The trick is to speed up the motor and then shift to second with a synchro-mesh transmission, but it helps.

## What's Your Trouble?

Q. I find that the engine of my car doesn't hold power when I really put it to work on the road. It is equipped with a supercharger of the gear type. H. L. M.

A. Better check the housing of the supercharger. It may be cracked. Q. My car has developed a low-speed shimmy which is most troublesome because we can't find anything wrong with wheel balance alignment or the steering system itself. J. McCB.

A. In a case like this better consider the possibility of a sprung frame.

Q. The propeller shaft of my car is vibrating, yet when we check it we find there is no excessive play. The universals apparently are not worn enough to encourage the shaft to whip. L. F. G.

A. But if the joints are in need of lubricant they will have this effect. Dry universals cause a lot of shaft vibration.

Q. What would cause the clutch of my car to squeak? This has been going on for some time. At first I figured it was due to the weather, but it is just as annoying now that we have colder days. You have helped me before. H. R. P.

A. Always glad to get a report on previous efforts to iron out car wrinkles. My idea of your newest trouble is that there is not enough pedal-to-floor clearance. I assume you've checked other possibilities such as a worn pilot bearing, a bent clutch shaft, trouble with the release bearing and that old standby—misalignment between the engine, clutch and gearbox.

Q. Every time I try to slow down my car pulls to one side. They have checked to make sure there is no grease or brake fluid on one of the brakes. Several efforts have been made to obtain better adjustment of the brakes. The lining is fairly new. Wm. L. H.

A. I think you will find that one of the brake shoes in the brake that pulls isn't concentric with its drum. That is, the shoe doesn't have a common center with its drum and thus cannot make smooth contact with it. The result is grabbing regardless of adjustment. This shoe can be serviced or replaced.

Q. The starter pinion of my car won't mesh. Have tried it under different conditions, but it just won't go into action. The battery is charged. Do you think the pinion needs replacing? R. N.

A. The chances are that it does need to be replaced, but you would get the same effect if the starting

motor is out of alignment.

Q. Did you ever hear that loose wheel bearings will cause a rear wheel to be out of line? J. H. B.

A. You bet. With an automobile we come to expect anything.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him at 254 Fern street, West Hartford, 7, Conn., and enclose stamped, self-addressed envelope for a personal reply. There is no charge.

## Littlestown

**Littlestown**—The Institution of the Ladies Auxiliary to the Fraternal Order of Eagles, Littlestown Aerie No. 2226, will take place on Sunday afternoon at 2:30 o'clock at the Eagles home, West King street. Installation of the newly elected officers will be held. Francis Keifer, Lancaster, a district officer, will preside at the installation ceremonies, assisted by a ladies' degree team from Coatesville. All 65 members who have signed the charter are requested to be at the aerie home at 2 o'clock so that final installation details can be arranged. Following the ceremonies refreshments will be served to all those in attendance.

Events for next week at the Littlestown Junior-Senior high school include: Wednesday afternoon, the

Junior high football team, coached by Maurice E. Bream and James L. Rhoads, will meet the Biglerville Junior high team at Biglerville. The weekly assembly program will be presented on Wednesday afternoon in the auditorium. The subject of the program will be "United Nations," in charge of Lloyd L. Staveland, administrative assistant and social studies teacher. On Friday, Mother's Night will be observed when the Thunderbolts meet the Stewartstown high school football team under the lights of the Littlestown Memorial field. The following week will be observed as Girl Scout Week at the school.

The Pathfinders' Sunday school class of St. Mary's Lutheran church, Silver Run, will hold its October meeting on Wednesday evening at 7:30 o'clock at the home of Mrs. Clayton Leister, Mt. Pleasant. Mrs. Stanley D. Bowersox, Littlestown, will be the leader for the meeting.

# PENNSYLVANIA'S NATIONAL HORSE SHOW OPENING

Harrisburg, Pa., Oct. 20 (AP)—The Pennsylvania National Horse show opened its doors today for what show officials were calling the world's largest array of horseflesh.

More than 700 of the top horses of the county and five foreign nations will compete today through next Saturday for a prize list exceeding \$33,000 in cash prizes and trophies. There will be no show tomorrow.

The center of attraction will be the jumping competition and the first appearance in America of France's famed cavalry drill team, Le Cadre Noir (The Black Troop). The Cadre specializes in dressage, the precision drill that amounts to a ballet on horseback.

**International Team**  
Competing in the international events are teams from Brazil, Canada, the Mexican army, the Irish army and the United States. They will vie for trophies in 11 different events here in preparation for the 1951 Olympic games in Helsinki, Finland.

The new United States entry is expected to threaten Mexico's domination of the international jumping events since the 1948 Olympic games. An army officer, a housewife and a gentleman farmer will represent the home country.

"The Americans have the most experienced horses in the competition—and that's what counts," said Col. Humberto Mariles, 39-year-old captain of the Mexican team and Olympic individual champion.

**U. S. Entries**  
"We came up this year with experienced riders and all green horses," Mariles explained. "The only experienced mount we have is Arete and he is lame."

Riding for the United States will be Major John Russell, 29, of nearby New Cumberland; Mrs. Carol Durand, 33, of Kansas City, Mo., and Arthur McCasling, of Pluckemin, N. J.

Russell is a veteran of the U. S. Army team that disbanded after winning the three-day low score competition in the 1948 Olympics. His two mounts, Swizzlestick and Blue Devil, also competed in the last Olympics. Mrs. Durand and McCasling are holdovers from last year's all-civilian team that pushed a Mexican team for top honors.

## American Pilots Will Test MIG

Washington, Oct. 20 (AP)—American pilots may be test flying a Russian MIG-15 jet fighter within the next few months.

Reconstruction work on a damaged MIG plucked from enemy territory in Korea last July is under way, although delay has been encountered in reproducing some parts lost in the crash. Officials familiar with the project told a reporter today.

The painstaking, bit-by-bit re-assembling of the damaged fighter is being done at the Analysis division of the Air Force's Air Materiel Command center at Wright-Patterson base, Ohio. The plan was recovered from 17 feet of water off Hamchon, North Korea, through the combined efforts of the British, American and South Korean navies and the U. S. Air Force. Surface craft, operating under air cover of Allied planes, hauled the wreckage aboard a landing vessel and hurried out of the enemy waters.

## BULLETINS

Las Vegas, Nev., Oct. 20 (AP)—The opening blast of the Atomic Energy commission's exercise Desert Rock was postponed Friday morning because of a mechanical failure.

The AEC issued this statement in connection with its delay of the blast which was originally scheduled for any time after 5 a. m. Pacific standard time: "A nuclear detonation scheduled for this morning was postponed because of mechanical fault in a key electrical test circuit between the control point and the tower."

Cairo, Egypt, Oct. 20 (AP)—Big naval guns backed up Britain's Tommies in the strife-ridden Suez sector Friday as the British tightened their hold on the disputed, strategic canal.

A British cruiser, apparently H.M.S. Gambia, anchored last night off Port Said, at the northern end of the canal. Other sea forces were expected shortly from the Persian Gulf, and a contingent of 1,000 parachute troops was alerted at Trieste for a move to the Suez.

New York, Oct. 20 (AP)—The United Nations Security Council decided Friday to drop its debate on the British-Iranian oil dispute until the International Court of Justice can rule on the council's legal competence to deal with the question.

London, Oct. 20 (AP)—Britain today told Egypt Friday she will hold the Cairo government responsible for riot damage to British property in the Suez and elsewhere in Egypt. The British war office has estimated riot damage in the canal area town of Ismailia alone at \$1,400,000.

In a stern note, Britain declared that British forces intervened because British lives were in danger. It blamed serious rioting and looting on "inability of Egyptian authorities to maintain order."

## Boy Rescues Dog

New York, Oct. 20 (AP)—Fourteen-year-old Joe McLennon likes dogs.

That's why he risked his life to save one in the Harlem river Wednesday.

Older folks, seeing the mongrel pup whirling in the strong currents, said "somebody ought to call a cop."

But not Joe. Stripping off his clothes, he plunged in and maneuvered the dog to shore. A cop finally had to help both to land.

The dog shook himself vigorously, and scampered away.

"Shucks," said Joe when patted on the back. "Dogs are my favorite pets."

## MORE SCANDAL IN TAX OFFICE PROBE

Washington, Oct. 20 (AP)—To allegations of corruption and collusion among the nation's tax gatherers has been added some colorful information on lush vacations, big race track winnings and multiple bank accounts.

This data was part of the testimony heard Thursday by a House ways and means subcommittee, investigating the operations of the Bureau of Internal Revenue.

Reaction to the testimony—given by four of the bureau's New York agents—was swift.

One Internal Revenue agent, Mordcai Miller, who claimed inability to remember exactly how many bank accounts he had, was summarily suspended by Internal Revenue Commissioner John B. Dunlap.

Another agent—whose financial worth, by his own estimate, rose from \$2,400 to \$25,000 between 1946 and 1951 on a \$5,000-\$6,000 annual salary—was instructed to come back before the committee next Tuesday and try again to explain.

A third, to the open-mouthed reaction of lawmakers, volunteered the information he did not report some \$2,000 of race track winnings in his own income tax return for 1946-49 because he was afraid it would "jeopardize my pension."

## Property Transfers

Lillian Grace and Clarence A. Hull, Liberty township, sold to George E. and Kathryn L. Swisher, Hamilton township, a property in Liberty township.

Raymond W. and Alice I. Swartzbaugh, Cumberland township, sold to John C. and Lois M. Nary, McKnightstown, a property in Cumberland township.

Bernard J. and Ethel M. Kuhn, Straban township, sold to Clement K. and Anna May Aughinbaugh, same place, a property in that township.

Verna V. Marshall, Franklin township, sold to Mabel C. and Robert B. Mathias, Baltimore; F. Richard and Lyla Walls Marshall, Pittsburgh, sold to Holmes and Marguerite P. Dick, Franklin township, a property in Franklin township.

Edgar C. and Laura McDannell, Arendtsville, sold to Adams County Novelty company, Gettysburg, a property in Menallen township.

Clinnie R. Bittinger, Butler township, sold to Herman and Mary E. Bittinger, Bendersville, a two-thirds interest in a property in Bendersville.

## 28th Division To Be At Battle Strength

Camp Atterbury, Ind., Oct. 20 (AP)—Pennsylvania's 28th Infantry Division will be at full battle strength when it passes in final review next Friday before sailing for Europe.

Men of the division have indicated that thousands of their relatives and friends will be on hand for the parade past Gen. Mark W. Clark, Maj. Gen. Daniel Strickler, division commander, a score of high ranking army officers and Govs. John S. Fine of Pennsylvania and Henry S. Schrickler of Indiana.

Gen. Strickler emphasized Thursday the review will be open to the public. It is scheduled for 1:15 p. m. (Eastern Standard Time) at this army camp 40 miles north of Indianapolis. Since the division was federalized in September, 1950, Camp Atterbury has been its "home" most of the time.

Listed to be on the reviewing stand with Gen. Clark, chief of the army's field forces, are three former commanders of the division—Maj. Gens. Edward Martin, now a U. S. senator from Pennsylvania; Norman D. Cota, who commanded the division in France during World War II, and William G. Price.

New Delhi (AP)—India in 1950-51 imported 60,000 tons of sugar from the United Kingdom at a cost of \$12,915,000 to supplement her own internal production of 1,100,000 tons, a food ministry spokesman said here. He added the United Kingdom was able to fill India's entire needs because of the 20,000 tons of raw sugar supplied to London by the United States.

## Emmitsburg

Emmitsburg—Clarence Orendorff, USN, son of Mr. and Mrs. Morris Orendorff, is home on a 21-day furlough from Pearl Harbor where he is stationed.

Henry Wivell, son of Mr. and Mrs. Roy Wivell, USN, Jacksonville, Fla., is home on a 19-day furlough. Sea-man Orendorff is stationed on a submarine which came to Seattle where he came ashore and will pick him up there at the end of his furlough.

Mrs. Francis Keilar is the weekend guest of her brother and sister-in-law, Mr. and Mrs. John J. Hollinger.

Betty Ann Hollinger, daughter of Mr. and Mrs. John Hollinger, is home from Towson State Teachers college from Thursday to Monday with her parents and her brother, John, before entering the army next Tuesday.

Corp. Lloyd F. McNulty, son of Mr. and Mrs. Frank McNulty, of Emmitsburg R. 2, is one of 62 Maryland men from Korea who debarked Wednesday in San Francisco enroute home. Corp. McNulty and the Maryland men are part of a contingent of 1,800 soldiers returning to the U. S. on rotation. Corp. McNulty left the coast on Thursday on special train with the Maryland men for Fort Meade, Md. He is the only one from this area returning on this ship from Korea.

Mr. and Mrs. G. Kenneth Kugler, Pittsburgh, are visiting Mr. Kugler's parents, Mr. and Mrs. M. Luther Kugler, this week-end.

Los Angeles, Oct. 20 (AP)—Actor Roy Rogers won the right Thursday to keep 81 of his western films off television. Federal court granted a permanent injunction barring Republic Pictures from selling the films for TV purposes. Rogers' demand for \$100,000 damages, however, was rejected for lack of evidence.

**Newsboys Help To Bring Out Pennies**  
Allentown, Pa., Oct. 20 (AP)—Allentown Call-Chronicle newsboys, 750 of them, asked their 82,000 customers to pay their newspaper bill in pennies or nickels, nothing else.

The recent request resulted in collection of 2,002,665 pennies and 80,812 nickels—14,810 pounds of small coins.

The drive for pennies and nickels came on the heels of a request by U. S. Mint Director Nellie Tayloe Ross. She said if each of the nation's 38,788,000 families would reduce 10 pennies the government would save 1,260 tons of valued copper for defense production.

Washington, Oct. 20 (AP)—The government today forecast an adequate supply of anti-freeze for motorists this winter despite increased military demands. The National Production Authority said a survey shows well over 100,000,000 gallons have been produced for the cold season. This is more than two gallons for each vehicle.

## Promises Highway Safety Efforts

Harrisburg, Oct. 20 (AP)—Gov. John S. Fine promised a renewed effort Friday to better Pennsylvania's outstanding highway safety record of 1950—already the best in the nation.

"I cannot think of a more worthy aim than to save the lives of men, women and children on the highways of our state," said the governor. "We intend to work harder than ever before in that cause."

He made the statement in accepting four awards from the National Safety Council for superior performance by the Keystone state in combating death and injury on the highway.

Ned Dearborn, president of the Safety Council, made the presentations. The grand award was for bringing about the greatest reduction in highway fatalities last year

in comparison with 1949—a record unequaled by any other state—and for the general excellence of the highway safety program in Pennsylvania.

## Southeastern Pa. Firemen Elect

Hershey, Pa., Oct. 20 (AP)—Harry A. Joseph, of York, is the new president of the Firemen's Association of Southeastern Pennsylvania. Joseph was chosen Thursday at an election held in connection with the group's 30th annual convention here. Some 627 delegates were in attendance.

Other officers named included: Jacob F. Weber, Lancaster, first vice president; Lee F. Reary, York, recording secretary; Norman T. Finger, Steelton, financial secretary, and John H. Zimmerman, Lebanon, treasurer. Thomas G. Brown, Mt. Joy, was chosen delegate to the

State Firemen's convention with Leon R. Fitting, Lebanon, as alternate. The association selected Chambersburg as the site for its next quarterly meeting on January 18, 1952.

## Gasoline Dealer Is Burned In Wreck

Wilkes-Barre, Pa., Oct. 20 (AP)—A gasoline wholesaler was badly burned Thursday night when his loaded tank-truck crashed, then exploded and burst into flames.

He was taken, unconscious, from the cab of the truck, his clothing all but burned from his body. A brother, Rev. Ira Button, identified him at Mercy hospital.

## GAMBLER-COP CITED BY JURY

Philadelphia, Oct. 20 (AP)—A special grand jury, investigating charges of gambling and police graft, says there is an "illicit federation" between gamblers and certain corrupt public officials and politicians in Philadelphia.

The jury's charges were made Thursday in an interim presentation to Common Pleas Judge Edwin O. Lewis, who recessed the jury until November 8.

The report castigated "corrupt public officials and politicians, who mask their illicit and illegal activities behind a cloak of respectable authority. Those public officials destroy the moral fiber of the citizenry from whom their power stems."

**Divided Territory**  
Extortion by police officers, like those in Philadelphia, gambling circles and underworld crime syndicates elsewhere and the division of the city into territories of gambling monopoly by strong-arm methods also were reported by the jury.

The jury said it had learned of instances when police officers "solicited and forced tribute with utter disregard of the welfare of the community and with complete lack of moral standards and integrity."

The jury said it had information indicating an alliance exists "amongst illegal gambling in this community and other communities. This challenges the Kefauver report."

It reported further that it had "incontrovertible evidence that gamblers purchased gifts for public officials, including members of the police force."

The jury emphasized, however, that its investigation dealt with what has happened and not with what is happening.

## East Berlin

East Berlin—"Pennsylvania Week" was observed by students of the local high school when a group assisted a teacher, Raymond H. Fissel, in preparing a display of Pennsylvania antiques in the window of Lau's Cut-Rate store which depicts a room in a pioneer Pennsylvania home including a wooden cradle in one corner in which rests a doll covered with a hand-woven afghan of many primitive colors. In the opposite corner are stacked a number of antique rifles and a Civil War canteen. The background is one of the rare Adams County maps, on which are pictured as illustrations the homes of prominent settlers of 1850, the date in which the map was compiled.

Mrs. William Boyer, Paradise township, near here, is able to be about her home at intervals, after a recent serious illness occasioned by several successive heart attacks. Mrs. Boyer will be under the doctor's care for an indefinite time.

Mr. and Mrs. John R. Wisler, Berline Heights, recently entertained Carl Beech, Wilkes-Barre, who was a buddy of Mr. Wisler when they served in Europe during World War II.

Word has been received here of the birth during September of a daughter, Beth Marie, to the Rev. and Mrs. William Anderman, Jr., Lewistown, Md. The Andersmans and their young son, David, moved from here last year after the Rev. Mr. Anderman completed his year of service as assistant minister of the local Evangelical-Reformed church under the Rev. Alton M. Leister. The Leisters were recent visitors at the Anderman home.

The foundation has been built for the new home of Mr. and Mrs. Elmer G. Mumert, on the lot near the square which they recently purchased from Dr. Leon Roos.

Mr. and Mrs. Paul P. Lerew, Sr., had as week-end guests their son-in-law and daughter, Mr. and Mrs. Homer S. Bloodworth, Pocquonock Bridge, Conn. She is the former Miss Betty J. Lerew.

Mr. and Mrs. Glenn Warner, formerly of Gettysburg, are now occupying half the house of Mrs. Mary Stambaugh and Miss M. Grace Stambaugh, opposite the post office.

Dr. and Mrs. Samuel J. Leacey, York, were week-end guests of her

mother, Mrs. James R. Myers. Mrs. Harold E. Spangler and sons, Lee and Jim, who have been living in York, have left to make their home in Ohio where the husband and father, a son of Mr. and Mrs. L. D. Spangler, this place, is with the armed forces. Mrs. Spangler was formerly Miss Gladys E. Hodgson, a daughter of Mr. and Mrs. Philip W. Hodgson, Jr., near Red Run church.

The Girl Scout troop of Paradise Catholic church is sponsoring a card party this evening, open to the public at the social rooms of their church. Proceeds will help to finance proposed winter scouting activities.

Bill Lerew, elder son of Mr. and Mrs. J. Calvin Lerew, has recovered from a fractured arm sustained recently when he met with an accident while driving the truck connected with his father's store.

Parishioners of Paradise Catholic church will make contributions on Sunday toward the support of the missions of their church, both in this country and in foreign fields. Sunday will also mark the formal opening of week-long mission services to be held at that church by a priest of a religious order who will celebrate mass each morning and follow it with a short sermon. There will also be a special service each evening of the week until the solemn closing on the evening of Sunday, October 28.

William E. Mixon, son of James L. Mixon, R. 2, who has been for several months at Ft. Knox, Ky., with the air corps, expects to return to duty next week after a 15-day furlough spent here. The young man is preparing to marry Miss Dorothy Butler, North Carolina, shortly after his return south. Mixon, a former resident of Baton Rouge, La., was graduated in 1950 from the local high school.

Jacqueline Kay, infant daughter of Mr. and Mrs. Raymond E. Tribby, who was born during the summer, was christened at the recent services at Trinity Lutheran church by the pastor, the Rev. Lester J. Karschner. Also christened at the service was Gary Eugene, son of Clarence F. and Romaine Myers.

Mrs. Augustine J. Tierney has received word that her brother, Lee B. Kuhn, who recently underwent a major operation at the Eastern Long Island hospital, Greenport, N. Y., has been discharged and is recuperating at the home of Southold, L. I., relatives prior to returning to his home in Brooklyn, N. Y.

Members of the Upper Conewago congregation, Church of the Brethren, who, during the summer of 1946, took a trip together to a church conference on the west coast, have been following an annual custom of having a get-together each year since their return. The last was conducted last week at the Lincoln View restaurant, near Abbottstown, with a number of persons from this area present.

## President Vetoes Bill For Amputees

Washington, Oct. 20 (AP)—President Truman has vetoed a bill under which the government would have paid up to \$1,600 on the price of an automobile for any World War II or Korean veteran who has lost a leg or an arm, or is blind or nearly so.

In taking this action Thursday, Mr. Truman told the Senate he would gladly approve legislation which limited such aid to veterans who have lost use of one or both legs at or above the ankle.

Joshua Gillelan visited with Miss Ruth and Miss Rhoda Gillelan this week several days.

### Archers Return

Weldon B. Shank, George Pecher, George Ashbaugh, George Ashbaugh, Jr., of Emmitsburg, and Lee Willis, Greenstone, returned Wednesday night from a three-day hunting trip to Hyner, Potter county, for deer with the bow and arrow. The Ashbaughs said they saw lots of deer but were not successful in killing any. George, Jr., said he saw 80 deer and only one was a buck. He said it was his first trip for deer with the long bow, it was a great experience. W. B. Shank and George Pecher were the only ones in the party to get shots at deer. They saw three bear and two turkeys. George Ashbaugh used a 55-pound bow pull and the others a 60. The hunting party made reservations for the bear season when they plan to spend several days hunting in the same region.

The boys and girls of the Emmitsburg schools have enjoyed a two-day vacation with school closed Thursday and Friday for the 84th annual convention of the Maryland State Teachers association being held Thursday through Saturday of this week at Baltimore. All of the local teachers are attending the convention.

A two-day session of the Maryland Congress of parents and teachers will be held at the Alexander hotel, Hagerstown, November 1 and 2.

## More Bankruptcies Seen By Committee

Washington, Oct. 20 (AP)—The Congressional committee on defense production said Friday that a period of civilian shortages and a rising number of bankruptcies lie ahead.

The Senate-House committee simultaneously announced an inquiry into the treatment of small businesses, schools, and farm machinery makers, in the allocation of scarce materials.

Three other investigations—into the power shortage, the machine-tool problem, and the supply of strategic metals—will be undertaken by the committee's staff at the same time.

The Senate-House body headed by Senator Maybank (D-S. C.) made few direct criticisms of the agencies running the mobilization, in its first annual report. But it slapped at the administration for "regrettable delay" in the freezing of prices after the controls act was approved on September 8 of last year. Living costs jumped 5 percent in that 4½ months, it said.

### A.P. EDITOR DIES

Washington, Oct. 20 (AP)—James J. Streib, aviation editor of the Associated Press, died Friday of cancer. He was 44. Streib had been ill since March 1. His condition became much worse last night, and early today he went into a coma. Death came shortly after 9 a.m. (EST). His wife, Betty, and a Catholic priest were at the bedside. Besides his widow, he is survived by three sons, James, 11; Stanley, 9, and Stewart, 4.

## SHORTAGE OF WATER SERIOUS

Harrisburg, Oct. 20 (AP)—Dwindling water supplies, unfed for months by rainfall, threatened a water shortage in scores of Pennsylvania communities today. The state Health department reported that voluntary water conservation measures are now in effect in many areas.

It added that continued lack of rainfall will leave many places entirely without water.

"We have to have rain pretty soon, or we will be in serious trouble," said L. D. Matter, health department water supply engineer.

He added, however, that only one town in the state so far has reached the point where it has to haul all its water. That is little Hendersonville in Washington county.

Matter said water companies in many areas are now pooling their resources in order to maintain service. In some cases, industries have turned over their private supplies to communities.

Matter said most communities are now drawing up reserve storage reservoirs for water. Hardest hit communities are in southwestern Pennsylvania. He said Uniontown's water supply is now down to one-third of normal and the same situation prevails at Greensburg and Altoona.

The U. S. Weather bureau here noted today that rainfall has been scanty in Pennsylvania since mid-July. It said August was the second driest month on record, and September and October were almost as bad.

## To Confer On Dock Wildcat Strike

New York, Oct. 20 (AP)—AFL Longshore boss Joseph P. Ryan agreed Friday to meet with rebel leaders of a five-day wildcat dock strike to try to end the tieup.

Ryan previously had refused to see the strike leaders, which spearheaded a port-wide revolt against a newly-negotiated contract.

His capitulation came after 30 officials of striking locals met, and called to him for a conference. The session with Ryan began shortly thereafter.

At the same time, in a surprise switch, waterfront tough-guy Anthony Anastasia sent out "flying squads" of 800 men in a fleet of 250 cars to keep striking dock hands from returning to work. Previously Anastasia, member of the notorious racketeering family, had tried to get the men back to work by importing crews of strikebreakers.

## Shipyards Strikers Resume Their Work

Philadelphia, Oct. 20 (AP)—More than half of the 200 shipyard employees who have been on strike since Wednesday are back on the job Friday.

The two-day wildcat strike was settled by the Brotherhood of Boiler Makers, Iron and Shipbuilders and Helpers, (AFL) and the Atlantic Port Construction company, late yesterday.

The trouble at the yard started Monday when creditors of the Pennsylvania Drydock and Shipbuilding company filed a petition for involuntary bankruptcy. Checks issued to the workmen were returned marked, "insufficient funds."

On Tuesday the Pennsylvania Drydock company closed the shops.

However, on Wednesday the yards were taken over by the Atlantic company. The employees struck over the rehiring practices of the Atlantic company.

Now that the strike is settled, Atlantic said it has arranged to pay the employees' checks today.

## Getting Off Roofs Is So Aggravating

Rosemead, Calif., Oct. 20 (AP)—Mrs. Vicky Joseph, 23, is going to call the repair man next time her television set gets fussy.

The young mother climbed to her roof Thursday, fixed the TV antenna and then found that she couldn't get down.

After three hours of roof sitting, Mrs. Joseph finally convinced her three-year-old daughter, Lydia, that "mommy isn't playing," and the youngster called for help.

## Valiant Mother Saves Boy's Life

Veedsburg, Ind., Oct. 20 (AP)—A 36-year-old mother of nearby Stonebluff who can't swim plunged into a creek near her home Thursday.

## DUFF SUPPORTS DANIEL POLING

Philadelphia, Oct. 20 (AP)—U. S. Sen. James H. Duff (R-Pa.) says a Republican defeat in the Philadelphia city election November 6 would give "greater impetus" to Democratic efforts to retain the presidency in 1952.

Addressing 800 members of the Union League, Republican-founded club, Duff Thursday urged Republicans to give full support to Dr. Daniel A. Poling, GOP candidate for mayor in Philadelphia.

He said it would be much more difficult for the Republicans to carry Pennsylvania in the presidential election next year should the Democrats win the Philadelphia election.

"Without Pennsylvania in the Republican column, we will be unable to elect a Republican president, as history has shown us," Duff asserted.

Declaring the nation "ripe for a change in leadership," Duff said the Republicans would have to "earn the right" to victory by nominating "the proper candidate who can attract the independent voter, who holds the balance of power."

He said it would be much more difficult for the Republicans to carry Pennsylvania in the presidential election next year should the Democrats win the Philadelphia election.

## Board Fixes Blame In Boat Tragedy

Washington, Oct. 20 (AP)—A Coast Guard marine board of investigation Friday blamed the captain and

crats win the Philadelphia election. "Without Pennsylvania in the Republican column, we will be unable to elect a Republican president, as history has shown us," Duff asserted.

Declaring the nation "ripe for a change in leadership," Duff said the Republicans would have to "earn the right" to victory by nominating "the proper candidate who can attract the independent voter, who holds the balance of power."

## TAX INCREASE BILL AWAITS FINAL SIGNING

Washington, Oct. 20 (AP)—A \$5,691,000,000 tax increase awaits President Truman's signature today after a perilous journey through the House.

A 185 to 160 roll call vote in that chamber yesterday clinched passage of the big revenue measure. The Senate had approved it Thursday by a voice vote. Yesterday's victory was a sweet one for House administration leaders, stung four days before by rejection of an earlier compromise version of the bill.

All hands on Capitol Hill took it for granted that Mr. Truman would approve the increase promptly.

**Boss's Individual Levies**  
It calls for a sharp boost in individual income taxes beginning Nov. 1, and—provided it is signed by tomorrow—for higher rates on dozens of manufactured products, including

whiskey, cigarettes, gasoline and automobiles.

Corporation taxes also are due to go up, and retroactively.

Over a full year's operation, the bill is expected to bring in \$2,280,000,000 additional revenue from individuals, \$2,267,000,000 from corporations, and \$1,204,000,000 extra in excise (sales) taxes.

**May Be Short Of Need**  
The total increase is calculated at \$2,764,000,000 for the current fiscal year, now nearly one-third gone. Added on to revenue from existing laws, the increase is estimated to bring the government's total income to about \$64,709,000,000 for the 1952 fiscal year which ends next June 30.

That total, however, may be three to eight billion dollars below the outgo for the period.

The bill provides little more than half the \$10,000,000,000 additional revenue the President asked for this year. The \$5,691,000,000 total of the compromise bill compares with a \$7,200,000,000 increase voted by the House originally. This was pruned down to \$5,400,000,000 in the Senate.

The new measure and two other tax bills passed since the outbreak of the Korean war have added

nearly \$16,000,000,000 to the American tax load.

**Had Favored Economy**

A tax increase, varying only in a few minor particulars from the one finally approved, was rejected by the House Tuesday, 204 to 157.

On the final, decisive roll call yesterday, 147 Democrats, 37 Republicans and one independent supported the bill. Thirty-four Democrats and 126 Republicans voted against it. Some northern Democrats who had opposed the legislation as putting too heavy a burden on low income groups were persuaded to reverse their votes. In general, the Republicans who opposed the first compromise Tuesday were still against the bill. They argued the administration should move to reduce government spending before insisting on additional tax money.

For the majority of Americans, the bill means an increase of slightly less than 11 1/2 per cent in their income tax obligations. Since the bill will be in effect for only the last two months of 1951, this year's tax bills will be about 2 percent larger than those last year. The full effect will be felt in 1952.

**Bill's Provisions**

Taxpayers in the higher income brackets have an option of continuing to pay taxes at present rates, and adding on an extra payment amounting to 9 percent of the income remaining after payment of the tax. This alternate method benefits single persons with incomes of \$28,800 or more a year, and married couples above \$57,600.

Here are some of the principal excise boosts:

Whiskey, gin, brandy and hard liquor from \$9.00 a 100-proof gallon to \$10.50. Beer from \$8 to \$9 a barrel. Wine up an average of 12 1/2 percent.

Cigarettes up from 7 cents a pack to 8 cents. Gasoline from 1 1/4 to 2 cents a gallon.

Automobiles increased from 7 to 10 percent of manufacturer's price. Trucks and buses, from 5 to 8 percent.

Electric dishwashers, electric garbage disposal units, power lawnmowers and other items of household equipment put under a 10 percent manufacturer's tax.

Fountain pens, mechanical pencils, cigarette lighters will be taxed 15 percent of the manufacturers' price.

## BIG MONEY BILLS WILL BE RUSHED THRU CONGRESS

Washington, Oct. 20 (AP)—Three big money bills were maneuvered into position today so that Congress could pass them quickly and go home.

The three, which include a \$7,328,903,000 foreign aid measure, are the only major items standing in the way of adjournment of the first session of the 82nd Congress. The lawmakers hope to call it quits some time this afternoon. They have been in session for nine months and 17 days.

Two of the appropriations bills were whipped into final compromise form at Senate-House conferences last night.

These are the foreign aid bill and a \$1,650,000,000 supplemental measure carrying funds for defense purposes, economic stabilization agencies and various government departments.

The third, a \$4,000,000,000 military construction bill, still must be worked out in a conference. Except for some miscellaneous odds and ends, all other "must" bills were out of the way, a \$5,691,000,000 tax increase bill having left Capitol Hill for the White House last night.

Anxious to get the year's business over with, House leaders called their branch into session earlier than usual (10 a.m. EST). They hoped for sine die, or final, adjournment in mid-afternoon. The Senate meets two hours later, since the House must act first on the leftover appropriation bills.

**Senate Overrides**  
Topping the day's calendar in the House is a vote on the President's veto of a bill to help disabled veterans buy automobiles.

By a 55 to 10 vote, 11 more than the two-thirds necessary to override, the Senate re-passed the bill yesterday. The House was expected to follow suit, making the bill law despite the President's objections.

In his veto message, the President said he would approve legislation limiting the proposed aid to veterans who have lost the use of one or both legs at or above the ankle. But he objected to including veterans who are blind or have lost an arm.

The legislation would require the government to pay up to \$1,600 on the cost of a car for any veteran of World War II or the Korean fighting who has lost a leg or an arm or is blind or has impaired vision as a result of service.

In a burst of speed in sharp contrast to the slow pace of previous months, Congress got rid of a lot of "must" measures yesterday.

At sent to the President bills raising the pay of about 1,600,000 civil service and postal workers by from \$300 to \$800 a year; hiking postal rates an estimated \$117,000,000 annually; boosting most people's income taxes between 11 and 12 percent starting November 1, and ending the state of war with Germany.

The Senate confirmed nine of the President's nominations for delegates to the United Nations but left on ice another, that of Philip C. Jessup. All bills not acted on at adjournment time remain on the congressional "pending" list and can be taken up when Congress reconvenes in January.

## Oldest Resident Of Pennsylvania Dies

Shickshinny, Pa., Oct. 20 (AP)—Pennsylvania's oldest resident, Mrs. Mary O'Neill, the cheerful "little old lady of Stonerusher Hill," is dead at 113.

The English-born woman came to America after the death of her husband some 70 years ago and settled in the heart of the state's anthracite region.

She died yesterday at nearby Koonsville. She had moved there a month ago when her physician advised her to leave the oil-lit house atop a steep hill in the small Luzerne county village of Wapwallopen.

The frail little woman attributed her longevity to the "will of God" and what she termed common sense rules—hard work, moderate eating habits and plenty of sleep. Until her final illness she had never been in poor health.

## York Springs

York Springs—The group of young women of the local Methodist church, known as the Wesleyan Service Guild, are conducting a sale of chicken corn soup and other home-made refreshments this afternoon for the benefit of their church, at the church building.

Miss Carole Content Koons, daughter of Mr. and Mrs. Ross Koons, has returned to her classes at the Kutztown State Teachers' college where she is a freshman in the library department, after a brief visit with her parents. The young woman, an honor graduate of the local high school in the spring, entered the college a few weeks ago.

Mrs. Rheta Dick Morthland, who had been living here, has moved to Clear Spring, between here and Dillsburg, where she is occupying her newly erected house.

Mrs. Guy Tanger, Sr., is recuperating at her home after recent treatment at the Hanover hospital. Mrs. Tanger has had visitors from Chambersburg and other out-of-town points since her return.

Mr. and Mrs. Carl McDermitt, near here, recently became the parents of a daughter, Glenna Marie, who was christened October 7 at the Catholic church in New Oxford with the grandparents, Mr. and Mrs. Hugh McDermitt, as sponsors.

## Stassen Considers Another Campaign

Philadelphia, Oct. 20 (AP)—Harold E. Stassen, president of the University of Pennsylvania, says he would confer with two Nebraska supporters relative to entering his name in the state's Republican presidential preference primary.

Stassen, former governor of Minnesota, unsuccessfully sought the Republican nomination in 1944 and 1948.

Fred A. Seaton, Hastings, Neb., publisher, announced yesterday that petitions would be circulated immediately to "draft" Stassen as a candidate for the Nebraska vote.

Seaton, Stassen's Nebraska campaign manager in 1948, is associated

with John B. Quinn, of Lincoln, Neb.
